This distinctive castle's stone walls enclose an enchanting, hushed interior whose romantic ambience lends itself naturally to the fairy-tale celebration of a lifelong union. Surrounded by sloping vineyards and centuries-old olive groves, the estate provides a wide array of possibilities for a truly memorable event.

The castle's owners have recently finished construction on a cluster of lovely apartments, just 5 minutes down the road. Nestled in the midst of an olive grove, the guest quarters are sunny and tastefully furnished while still retaining a distinctly Tuscan feel. Outdoors, visitors will have exclusive use of the swimming pool and surrounding lounges. Wedding With a View, in collaboration with Mercatale Castle, offers its clients the following exclusive discounts:
